# INTRODUCTION

The rich don't work for money.  
They make money work for them...

# UCOS TOKEN

UCOS Token is a Self Smart Mining & POS(Proof of stake) Mining cryptocurrency project and is fully open source. Its a unique smart contract brining Smart mining & POS mining together.

Ucos Token is an ERC20 Token with 150 Genesis address receiving smart mining rewards for 5 years & POS mining rewards are distributed on weekly basis for those who stakes their token.

# About Token

01.

**TOKEN NAME**

UCOS TOKEN

03.

**SHORT NAME**

UCOS

02.

**TOTAL SUPPLY**

150 Million Tokens

04.

**CONTRACT ADDRESS**

0xd8D887B5611a5B3E90bf764085  
d9858031D2bE67

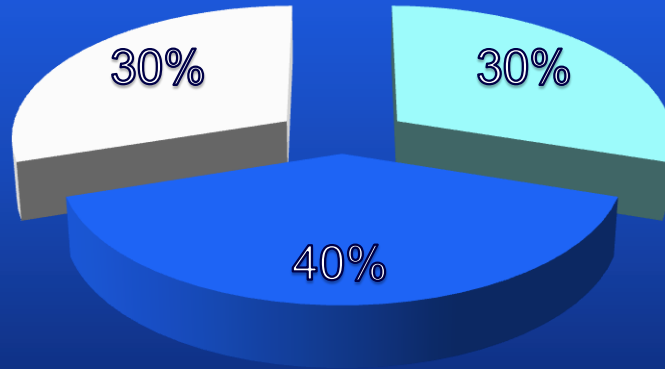

05.

**Initial Block Number**

11918274

# TOKEN DISTRIBUTION

■ Pre-Mined ■ Smart Mined ■ POS Mined

# Token Distribution

## 45 Million

- 10 % Founder
- 5 % Developers team
- 5% bounty and rewards (promotion marketing)
- 10 % UCOSFUND system

**Pre-Mined**

## 60 Million

- 150 Genesis address will receive smart reward for every block for 5 years.
- Every Genesis will receive maximum 400K tokens in time period of 5 years

**Smart Mined**

## 45 Million

- Get Proof of stake rewards for staking UCOS Token
- Staking user will receive weekly 1.5% POS reward
- User can stake 1000 or more tokens

**POS Mined**

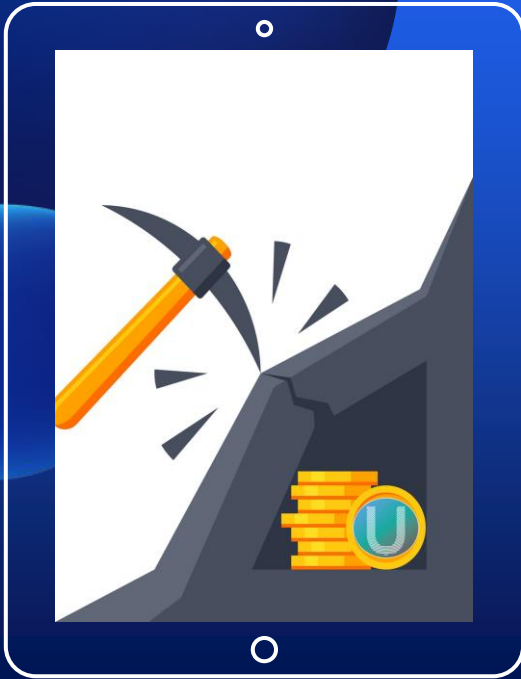

# Self Smart Mining

Self Smart Mining for 5 years

# Smart Mining

A new self-mining smart contract where no hardware is required to mine UCOS Token but it gets mine in parallel to each Ethereum blocks with ERC20 compliant with a total supply of 150 Million tokens.

150 Genesis gets equal amount of mining shares maximum up to 400K tokens over a time period of 5 years

UCOS token can be accessed using any of Ethereum wallets.

# POS Mining

Proof of stake rewards 1.5% weekly

# POS Mining

UCOS Token is a POS Token where users gets mining bonus for STAKING UCOS Token.

The Proof-of-Stake mechanism, meaning that every holder can earn some extra tokens just by staking token for at least 7 days of time period, greater than or equal to.

Every week the stake user will receive 1.5% of staking amount & can be used only after unmining.

User can stake 1000 or more token in the system to receive POS rewards

# RoadMap

# RoadMap

Q1 2021

IDEA DEVELOPMENT & DEPLOYMENT

Q2 2021

LAUNCH OF WALLET

Q2 2021

• LISTING OF UCOS IN COINMARKETCAP & OTHER EXCHANGES

Q3 2021

ECO-SYSTEM WHERE USERS CAN USE UCOS TOKEN

Q4 2021

LISTING OF UCOS ON MORE EXCHANGES

Q1 2022

• TARGETTING MARKET CAP OF 8.3M\$

Q2 2022

• REWARDING THE LEADERS
